

## DECEASED OLYMPIC MEDALLISTS

compiled by Ove Karlsson

The basis for this compilation is *The Golden Book of the Olympic Games* – compiled by Bill MALLON, the former ISOH President, and the late Erich KAMPER, mentor to many of us in the field of Olympic research. It is the reference book concerning – among other things – names (spelling) with dates of birth and (where applicable) death of Olympic medallists.

In this compilation, dates of death are, in principal, new, as compared to the book. Corrections to information in the book and/or to previous, similar compilations in our journal are marked "(cq)" behind the "new" information.

Names: Women are marked "(w)" before the names.

For women who won medals under several family names, following marriage, names are listed in chronological order.

I have not, unfortunately, had the technical possibility to include all diacritical signs, for which I apologize especially to readers from countries concerned.

As for first name(s), where known (mainly according to the results section in the Golden Book), only the name the athlete was actually called has been listed. Further names are listed when such names are in addition and/or correction to name(s) in the book.

Nation(s) is the nation(s) the athlete represented when winning medal(s). Abbreviations according to the IOC.

Dates of birth–death are written in the order day.month.year.

Sport: Aquatics = diving, swimming, synchronized and water polo; skating = figure and speed; skiing = alpine, freestyle, nordic and snowboarding.

Several ISOH members (and some other colleagues), have provided data to the compilation. After each deceased medallist is an abbreviation showing the source of information.

Contributors ABi = Anthony BIJKERK (NED), AGj = Arild GJERDE (NOR), ASe = Anto SEPP (EST), BMa = Bill MALLON (USA), BNo = Birger

NORDMARK (SWE), GOd = Giuseppe ODELLO (ITA), HDe = Harald DETLEFSEN (GER), JHe = Jeroen HEIJMANS (NED), KHe = Karlheinz HECKERT (GER), MSi = Markku SIUKONEN (FIN), OKa = Ove KARLSSON (SWE), PMa = Peter MATTHEWS (GBR), RPa = Ron PALENSKI (NZL), RRe = Ralf REGNITZER (GER), VMa = Vidar MARTINELL (SWE), WLy = Wolf LYBERG (SWE).

Thank you very much indeed for your valuable help!

Special mention of Jeroen HEIJMANS, an example in adding at least one source (Internet link) to the information provided; Arild GJERDE, always sending well researched information; Anto SEPP, another very active researcher; and Harald DETLEFSEN, assisted by other members of RASC, the *Rathenauer Autogramm Sammler Club*.

Also to Wolf LYBERG, Bill MALLON and Birger NORDMARK for providing several dates of birth not in the Golden Book.

Some information received have not (yet) been used because of contradictory data. Further checking, and double-checking, is necessary.

Please send corrections, additional and new information to:

**IMPORTANT!** Kindly give a source for your information; a web site address, send relevant photo copies, mention which person (for example a relative of the deceased) has informed you, or give any other source supporting the death of the person concerned. This to avoid misinformation, which unfortunately has occurred in our compilations and – more so – in reports to the compiler. Thank you!
